

MORTON PROPOSES TO RELEASE MILLION FOR SCHOOL USES

Action Imperative to Care
for Children, Declares
Councilman.

DEPARTS FROM PLAN TO
USE \$500,000 ANNUALLY

Project Meets With Full Ap-
proval of City Educational
Authorities.

With the end in view of minimiz-
ing time in the completion of pro-
posed new school buildings, thereby
relieving the congestion in schools
and eliminating the part-time classes,
Councilman Thomas E. Morton, of
Madison Ward, will at the next regu-
lar meeting of Common Council intro-
duce a resolution releasing \$1,000,000
to be used this year, instead of \$500,000
as provided for under the exist-
ing ordinance.

This bill is dated as of July
under the plan of the City School
Board, which is to be spent annually
for three years. The first year's
installment is to cover the purchase
of lots and the erection of a build-
ing for the central junior high school.
It is proposed to build a new
block, opposite the John Marshall
High School, on Marshall Street
between the intersection of the street
and the intersection of the street
and the intersection of the street.

Begin Work This Year.

Buildings designed by the School
Board for the second year are Forest
Hill, Highland Park, Fox addition and
North Richmond. Mr. Morton would
have work on these schools begin this
year, so they would be completed in
time for the opening of the new year.
There would be no delay incidental
to the construction of the latter, as
it is believed vacant lots are already
available.

Then, says Mr. Morton, the third
year's expenditure, which would cover
new Mary, Armstrong, Sidney, Col-
ored, Webster Davis and George Ma-
son, could be utilized, and the work
started one year ahead of the date
as proposed.

Mr. Morton will confer with the
City Attorney today and have an or-
dinance or resolution drawn to meet
the requirements. The matter will
be introduced at the meeting of
Council on March 1.

Reasons given by Mr. Morton in
announcing yesterday his intention of
introducing this measure, are em-
phasizing the need of relieving the
needs of the school department when
the matter was first presented.

The city owns a school lot in the
Forest Hill neighborhood, and has
agreed that a twelve-room building
be erected there to relieve the serious
congestion at the school.

Mr. Morton says that the school
department has been in a state of
emergency for some time, and that
the city has been forced to take
action to relieve the situation.

Mr. Morton says that the school
department has been in a state of
emergency for some time, and that
the city has been forced to take
action to relieve the situation.

AMPUTATE RIGHT FOOT OF
TROLLEY ACCIDENT VICTIM

T. C. McGovern Has Serious Fall From
Street (Continued)

T. C. McGovern, 421 East Main
Street, had his right foot crushed to
an extent early yesterday morning
as a result of slipping and falling
beneath a trolley car that had
stopped at the intersection of Main
and Second streets.

McGovern was taken to the
Richmond Hospital, where he was
operated on yesterday.

McGovern is 42 years of age and
has been in the city for some time.

McGovern is a native of Ireland
and has been in the city for some
time.

REPORTS CARELESSNESS IS CAUSE OF MOST FIRES

Chief Joyner, of Fire Prevention
Bureau, Thinks Majority of
Blazes Can Be Evaded.

RECOMMENDS ORDINANCE:
Inspectors Find Large Number of
Persons Who Are Willing and
Anxious to Co-Operate With
Them to Reduce Hazards.

The importance to the city of Rich-
mond of the Bureau of Fire Preven-
tion, as shown in the first annual
report of Chief L. S. Joyner, of the
bureau, handed to Director Morton
yesterday, is that the bureau has been in
operation nearly eight months, and
that it has been able to prevent
the burning of 1,238 buildings, and
the saving of \$1,238,000 worth of prop-
erty.

The bureau has been in operation
nearly eight months, and has been
able to prevent the burning of 1,238
buildings, and the saving of \$1,238,000
worth of property.

EYE, EAR, THROAT INFIRMARY IS IN DIRE NEED OF FUNDS

Unless \$4,000 Is Forthcoming Immediately; One of
City's Oldest Charitable Institutions Must Close.
Send Donations to 10 East Grace Street.

After serving the public for more
than forty years, the Richmond Eye,
Ear and Throat Infirmary and In-
firmity will have to close its doors
unless financial aid is received im-
mediately. The institution is lo-
cated at 217 Governor Street.

A pound party will be given today,
and donations of money, food and pro-
visions will be gratefully accepted.
These gifts may either be taken to
the infirmary or to the home of Mrs.
Samuel T. Cohen, treasurer of the
institution. Mrs. Cohen resides at 10
East Grace Street.

This infirmary, which has been in
operation for more than forty years,
has been able to treat thousands of
suffering persons, both men and women,
and has been able to do so because of
the generous contributions of the public.
The infirmary is now in a dire need
of funds, and unless \$4,000 is forth-
coming immediately, it will have to
close its doors.

GOVERNOR HAS APPROVED ALL BANK STREET PLANS

No Disposition on Part of Virginia Executive to Halt
Widening of Thoroughfare as Has Been Indicated.
Saville Will Advise for Bids.

In reference to the project of wid-
ening Bank Street, as proposed in
the contract between the city and the
State, Governor Davis has expressed
disapproval of certain plans submit-
ted to him. The Governor yesterday
stated that he had approved the plans
for the widening of Bank Street, but
that he had not approved the plans for
the widening of the street to the
width of 100 feet.

The Governor has approved the
plans for the widening of Bank Street
to the width of 100 feet, but he has
not approved the plans for the
widening of the street to the width
of 120 feet.

The Governor has approved the
plans for the widening of Bank Street
to the width of 100 feet, but he has
not approved the plans for the
widening of the street to the width
of 120 feet.
